---

**1. Safety Moment**

Councillor Quilty shared a safety moment regarding winter driving.

**2. Adoption of the Agenda**

The agenda was adopted with three additions that were added to New/Other Business.

**3. Adoption of the Minutes**

The minutes were adopted as presented.

**4. Business Arising from the Minutes**

**a. Venton Place**

Item deferred to the next committee meeting.

**b. Carlisle Drive - Evergreen Drive Intersection and Canterbury Intersection**

Item deferred to the next Committee meeting.

**c. Water Issue 1878 Topsail Road**

Committee reviewed additional information provided by resident. An update on what occurred since last meeting was provided. Committee asked the Director for more information to be brought to the next meeting and asked to provide the resident with a further update.

**d. Water and Sewer Priority List Review**

This item is still ongoing and is intended to remain on the agenda for continued discussion.

**e. Four Way Stop - Intersection Monaco Drive and Mullingar Drive**

Committee asked for an update on item 4c. The Town will be erecting a four-way stop at the intersection of Monaco Drive and Mullingar Drive. The Director will update the resident who originated the concern.

**5. Business Arising from the Council Meeting**

**a. Evergreen Village - Project**

This item is still ongoing. This will remain on the agenda for continued updates on the project until the project details have been completed and shared with the neighborhood residents.

**6. New/Other Business**

**a. Roundabout - Karwood Drive**

Committee discussed a resident concern regarding signage and lighting at the Karwood Drive Roundabout. The area was reviewed and noted that there is plenty of lighting and proper signage in place.

**b. Streetlights on Topsail Road**

Committee discussed resident concerns of lighting on Topsail Road. Staff will bring costing information back to the committee to support further discussion.

**c. Archibald Drive - Speeding**

Committee discussed the complaints of Archibald Drive speeding. The committee was informed that the traffic data collector is scheduled to be installed on Archibald Drive as previously decided. Data will be included in the Radar Reports section of a future agenda once available.

**d. Infrastructures and Engineering Projects for 2022**

Committee requested an update regarding the 2022 Projects. Update was provided to the committee for information purposes.

**e. Lift Station 10**

Item was deferred to the next committee meeting.

**7. Radar Reports - January 17 - 24, 2022**

**a. Maple Drive**

The radar reports were provided for information.

**8. Pond Level Reports- January 17 -24, 2022**

Pond Level Reports were provided for information.

**9. Consumption Reports - December 31, 2021**

Consumption Reports were provided for information.

**11. Adjournment**

Meeting was adjourned at 7:00 pm
