Program Information

The Town of Paradise Waste Disposal Assistance Program reimburses residents for some of the cost of pumping out residential septic tanks as per the following criteria:

1. Residents applying for this rebate must ensure all work is carried out by an approved waste hauler, registered with Service NL.
2. The maximum rebate shall be 50% of the cost to a maximum amount of \$250.00.
3. Residents must apply to the Town for the rebate and provide original of the invoice from the septic disposal contractor. Rebates for eligible residents shall be available six (6) weeks after submission of a copy of the Contractor's invoice to the Council office.
4. Each resident shall be eligible for a rebate once every three (3) years.
5. This program has a budget limit determined annually. Rebates shall be available to eligible residents until budgeted funds are expended. Residents who wish to avail of this rebate program are advised to check with the Town prior to having their tank pumped to ensure that funds are available.
